Subject: Host of the High Speed Telegraphy World Championships 2011

Following the decision made at the last HSTWC, the IARU Region 1 HST Working Group is looking for an IARU Region 1 Member Society to host the next (9th) IARU High Speed Telegraphy World Championship in 2011. Societies willing to undertake the organization of this event will need to satisfy with the following requirements:

1 Accommodation

Accommodation (hotel) - capacity not less than 120 person, 4 days full board within the hotel

Competition facilities - one big hall, at least three small halls or 6 spare rooms

It is recommended that the competition should be organized inside the hotel. If competition is organized outside of the hotel the distance from the hotel should not exceed 500 m

In either case, a quiet and peaceful environment should be created. This is a MANDATORY requirement.

2 Technical requirements

35 PC, at least 25 of them connected in LAN configuration. PC minimum configuration is Pentium 4, OS Windows XP SP3 with the latest updates, CPU 1.7 GHz or higher, RAM 512 Mb or higher, video adapter supporting resolution 1280x1024, external sound card of good quality

3 Awarding requirements

192 medals (64 gold, 64 silver and 64 bronze)

390 certificates for 1st 2nd 3rd 4th 5th and 6th place

One cup for team champion

The organizing society should organize a one-day excursion for the participants of the championship.

Member Societies who wish to be considered for hosting this event should supply the following information:

- **venue and terms of the championship**
- **cost per participant for 4 days full board including excursion, and gala dinner at the closing ceremony**

If you wish to be considered to host this event, please send your official proposal not later than 30th August 2010 to the following address:

**HST WG Chairman Oliver Tabakovski Z32TO
